

## A message from School Council

Dear children and parents,

For the Olympics 2020 Aldi have set a challenge for schools to be healthier and we have a chance to win 20,000 pounds for our school if we can fill the huge poster with Olympic stickers.

We are collecting the Aldi stickers to complete our poster. Stickers are given out when you spend over £30 at Aldi. We would love you to bring any stickers you get from Aldi into school so that school council can try and fill the poster on behalf of the school.

Thank you very much.
