

MOSSY LEA MESSENGER

Tuesday, 6th February 2024 VI. II. MMXXIV

* Acorn Class Update *

✏️📖🏠 Our Paddington Bear unit concluded with a delightful letter to Aunt Lucy, detailing Paddington's adventures in our homes!

💖🏠 How could we finish without following Paddington's instructions for a perfect marmalade sandwich! Exploding cauldrons during the hook lesson were magically handled, ensuring no frog transformations!

🧑‍🎓✨ Reception's math journey involved mass, capacity, and exciting seesaw activities with scales. Their superb measuring skills came into action when they followed instructions to make their play dough. 🧒🧠 Year one used number bonds knowledge to help with addition and subtraction, whilst year 2 were super spotters in group recognition and addition; prep for multiplication and division

🥳 Finally, funky finger Friday has been the perfect way to end a spectacular week.

* Oak Class Update *

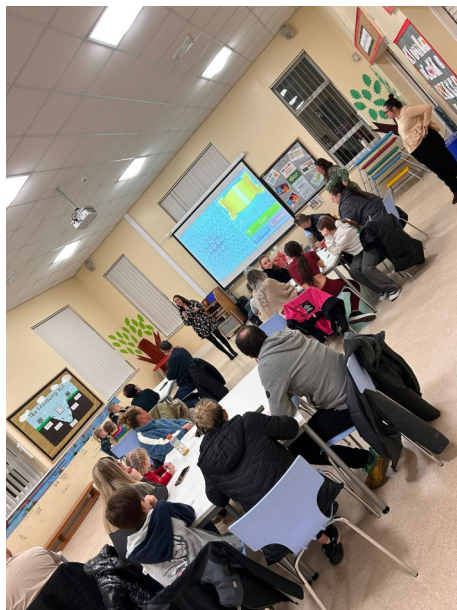

🌱 This week in Oak class was filled with engaging activities! The week began with an assembly linked to our Geography work - Is fashion important? We delved into the world of fast fashion and promoting eco-friendly practices such as passing down clothes that no longer fit us, donating to charity shops and selling on sites such as Vinted.

💚 Geography lessons focused on efficiency and conservation, with children examining their home's energy and water usage, brainstorming ways to make positive changes.

📖 In English, our budding writers began a captivating non-fiction unit inspired by the "Shirt Machine" film, identifying the main features in an explanation text.

🇫🇷 French class brought joy as the children enthusiastically performed a catchy song about the days of the week – très bien!

🎉 The highlight was our 'Not Christmas, Christmas Bingo.' Thanks for your fantastic support; we hope you enjoyed the evening as much as we did! Your generosity contributes to exciting plans for new outdoor equipment. 🙏🌳

Thank You!

A massive thank you for your support at the Not Christmas, Christmas Bingo, we raised almost £100! This will be added to the Halloween donations and will go towards some new outdoor equipment for play-times. The children in Year 5 and 6 will liaise with the other children and will present their suggestions.

On a personal note, I will be taking a break starting after school on Tuesday this week, due to personal reasons. I will return as normal after half term.

As we head towards the half-term break, I wish each and every one of you a happy and restful time. May it be filled with moments of joy, relaxation, and family time. Your unwavering support and commitment to our schools never go unnoticed, and I am deeply grateful for the sense of community we have nurtured together. As we step forward into the remainder of the school year with renewed energy and enthusiasm.

Thank you once again for your continued support and understanding. Wishing you all a delightful half-term break, when it comes.

Andy

After School Clubs next half term

Monday	No cook cookery club
Tuesday	Year 6 SATs Booster
Thursday	Performing Arts
Friday	Target games with Chorley SSP

Star of the Week
