

# MOSSY LEA MESSENGER

Tuesday, 27th February 2024 XXVII. II. MMXXIV

## \* Acorn Class Update \*

📖👦 Literacy Hook Lesson: Exploring London Adventures 🧑📖 Last week, the Literacy Hook lesson took our little adventurers on quite the journey through London! 🏰 From dinosaurs to toads, pearls, and even marmalade sandwiches, the children were buzzing with excitement, confident that our unit was London-based. 🇬🇧 However, as they delved deeper into the lesson, a curious question arose: What part could a lion play in our adventure? 🦁 It's amazing to see our young learners' minds exploring the possibilities and connections within our literary adventures. Stay tuned as they uncover more surprises and embark on thrilling adventures in the world of literacy! 📖✨

## • Oak Class Update \*

We kicked off the week with an exhilarating introduction to our new topic - "The Land of the Free," centered around the vibrant culture and geography of the United States of America 🇺🇸. Our school entrance hall was transformed into a mini-America, adorned with Star-Spangled Banner flags and captivating cityscape photographs, accompanied by the iconic tunes of Elvis Presley's "Viva Las Vegas." The children were thrilled by the immersive experience!

📊 In mathematics, our older students in Years Five and Six have embarked on an engaging journey into decimals, while our younger mathematicians in Years Three and Four are nearing the culmination of their fractions unit, showcasing some remarkable progress along the way.

🌍 Geography sessions have been equally riveting as our students honed their map-reading skills using atlases and globes to identify North American countries and their capital cities, all while exploring the surrounding oceans.

🏃 Moreover, we've commenced an exciting collaboration with Chorley SSP for PE, delving into outdoor and adventurous activities. From map-reading to body spelling, our students have embraced the challenges with enthusiasm and determination, exemplifying teamwork and resilience. Can you spot the spelling of Mossy within the photographs?

📖👦 Kudos to all our children for their outstanding efforts and boundless curiosity! Let's continue to explore, learn, and grow together as we delve deeper into the wonders of "The Land of the Free."

## World Book Day—Thursday, 7th March

World book day is fast approaching!

On the day we will be completing lots of fun book themed activities in school.

It is the turn of our bedtime story theme—Children can come to school in their pyjamas and bring in their favourite bedtime story to share.

### Polite reminder

Please continue to update SCOPay if your child requires a school meal (Code Z). This is particularly the case for children in Oak Class, as all school meals must be paid for 48 hours in advance (unless you receive free school meals).

For any paid wraparound care, I update SCOPay at the end of each week. You can make any necessary payments after lunchtime.

### Parents' Evening - Tuesday, 19th March

Parents Evening will be held on **Tuesday, 19th March**. Appointments will be available from 15:40-18:00 and will be issued on a first come first served basis. Please message Antonella, via Class Dojo, if you would like an appointment with your preferred time.
