

MOSSY LEA MESSENGER

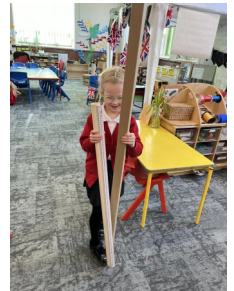

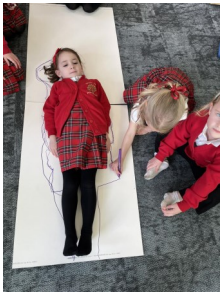

Tuesday, 12th March 2024 XII. III. MMXXIV

* Acorn Class Update *

Our adventures in the world of Flat Stanley continue! Imagine being rolled up like wallpaper! - that's the magic we've been exploring.

🍪 EYFS and Year Two, have shone completing our math unit on measurement. We have been taking advantage of the weather and even managed to take our learning outdoors for literacy lessons.

🌳 This week, we embarked on a journey to recreate London landmarks and told captivating stories with our own characters.

Chorley SSP Dance Competition

★ What a superstar!

Proudly representing Mossy Lea, on her own, amongst a room full of much bigger schools. Although we didn't place, Em has been the epitome of resilience and determination, one of our school values.

The biggest cheer from the room came from our collaboration school, St George's, thank you ❤️

* Oak Class Update *

📖 ✨ What a fantastic week it's been in Oak Class, full of learning adventures and creative explorations! Here's a peek into what we've been up to:
Our week kicked off with a whole school assembly dedicated to brainstorming how we could celebrate World Book Day.

🌍 📖 Cross-Curricular Learning: Combining Geography and English, Oak Class delved into the geographical wonders of New York before diving into persuasive letter writing. The children have truly excelled, crafting persuasive masterpieces urging their families to embark on a journey to the Big Apple!

🏃 Physical Education Fun: In PE, our students embraced the challenge of completing a variety of circuits, enhancing their fitness levels and teamwork skills with enthusiasm and energy.

📖 🎉 World Book Day Celebrations: As part of our World Book Day festivities, Oak Class got creative with interactive book reviews, bringing their favorite stories to life and sharing their love of reading with the entire school community. These reviews are now proudly displayed in our library, inspiring fellow bookworms to discover new literary treasures.

🌟 🌞 Celebrating Achievements: We're incredibly proud of the hard work and dedication our students have shown this week. From persuasive writing to physical fitness challenges and celebrating the joy of reading, Oak Class continues to shine bright!

Stay tuned for more exciting updates from Oak Class as we continue our journey of learning and discovery together! 🌳 📖

World Book Day Celebrations

World Down Syndrome Day - Thursday,
21st March "Lots of Socks"

No charge. No money. Just support.

World Down Syndrome Day (WDSD), observed on 21 March every year, is a global awareness day which has been officially observed by the United Nations since 2012.

Down Syndrome International (DSi) encourages our friends all over the world to choose their own activities and events on WDSD to help raise awareness of what Down syndrome is, what it means to have Down syndrome, and how people with Down syndrome play a vital role in our lives and communities.

Join in with us to create a single global voice for advocating for the rights, inclusion and well being of people with Down syndrome on 21 March.

WHY MARCH 21? WHAT DO WE DO?

The date for WDSD being the 21st day of the 3rd month, was selected to signify the uniqueness of the triplication (trisomy) of the 21st chromosome which causes Down syndrome.

We would like you to support World Down Syndrome Day. We always do. So, please, if you wish, wear "lots of socks" on 21st March. This could be brightly coloured socks, long socks, printed socks, 1 sock maybe even 3 socks.

Parents' Evening - Tuesday, 19th March

Parents Evening will be held on **Tuesday, 19th March**. Appointments will be available from 15:40-18:00 and will be issued on a first come first served basis. Please message Antonella, via Class Dojo, if you would like an appointment with your preferred time.
