

English - Reading

- Log into bug club to find phonics books that are matched to your child's phonic level (passwords can be found in their book bags).
- Remember when you log on to Bug Club there are quizzes to go with the books. after having a go and sounding out themselves.
- How many Phase 2 and Phase 3 tricky words can you spot in your books?

English - Writing

- Focus on the One-Armed Robot letters. (r, b, n, h, m, k and p).

<https://www.youtube.com/watch?v=pchgSlwXnsl>

Once you have practised writing these letters on their own, can you write them on a line? Can you put them in a word?

Maths

- Go on a 3D shape hunt (indoors or outside), (e.g. cube, cuboid, cone, cylinder, pyramid and sphere).
- Can you find different objects that are the same shape?
- Can you make a model with the different shapes you've found?

How does your garden grow?

You must:

- Complete all the core activities above (**Maths, Reading and Writing**).
- Complete **at least one Science activity**.
- Select a **minimum of two topic activities** to complete.

You can choose which activities you find the most interesting or be creative and generate your own!

Hand- in date:

Use Seesaw to take pictures or videos of anything that is unable to go into your book i.e. models etc

Communication and Language

Can you play 'What am I?' using pictures of garden vegetables can you guess which one I am describing? How many vegetables can you describe ?

Understanding the World

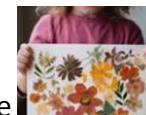

- Find out some facts about plants in your garden.
- Walk to your nearest park and see how many different plants you see
- Have your own tea party with your toys.

Expressive Art and Design

Garden art-

Fingerprint flowers.

nature collage

vegetable stamp painting.
