

ACORN Homework Menu

Starter - Choose one or more

Science: What is a habitat? Can you give some examples? What animals might live in your garden?

Science: How can I sort objects into dead, living and non-living?

<https://www.bbc.co.uk/bitesize/articles/zfhfn9q>

Main - Complete all

English: Read 3 times a week and practice your spellings each week.

Maths: All - Practise your number skills on Numbots (remember the skills build up as you go through the levels).

Year 1 - Practice counting in 2s, 5s and 10s.

Year 2 - Practice times tables 2s, 5s, and 10s, you could use Times Tables Rockstars.

Dessert - Chose one or more

History: Interview an older relative, what toys did they have? What was school like? What clothes did they wear? What music did they listen to?

Art: Paint a picture of a landscape that is special to you, think about colour and tone.
