

MOSSY LEA MESSENGER

Monday, 27th April 2026 XXVII.IV. MMXXVI

🌿 Weekly Highlights at Mighty Mossy 🌿

🌱 Acorn Class

In **Geography**, we've been exploring rainforests around the world 🌍 🌴 and becoming mini weather reporters! 🎤 ☀️ Don't forget to check out our amazing weather report videos on SeeSaw—they're not to be missed!

In **English**, we've been inspired by The Great Kapok Tree 🌳 🐿️. This week, we created our own exciting story plans, choosing different animals and getting ready to write our very own rainforest stories next week—watch this space! 👉 ✨

🌳 Oak Class

In **English**, we continued reading our adapted version of Macbeth ✂️ 👑. The story truly came alive during our drama workshop at The Lowry 🎭—what an experience! We couldn't wait to get back to school to read the final battle scene and finally discover Macbeth's fate! 😱

In **History**, we revisited King John 👑 and uncovered why he was such an unpopular king. We learned all about the Magna Carta 📜 and even created our own versions for school, coming up with some brilliant ideas we'd love to put into action! 💡

🌲 Forest Friday

This week we enjoyed the outdoors with some creative tree rubbings 🍂 🖍️—a perfect way to connect with nature and explore textures around us.

Trip to The Lowry!

Oak Class took part in an exciting drama workshop based on Macbeth, linking perfectly with our current English unit. The children were very impressive with what they already knew and remembered about the play! The workshop really brought the story to life, and we're all feeling very excited to read the final battle scene tomorrow to discover what happens to Macbeth!

Acorn Class began the day exploring Lowry's artwork and learning how his style developed over time. We remembered lots about him from our work in the Autumn term. In the classroom, we looked at images from around Wigan and discussed tone, blending, and shading. We practised breaking down complex pictures into simple shapes—without rubbers or starting again—so we carefully built up our work from light sketches. Our workshop teacher was so impressed, saying our work was on par with some Year 4 and 5 classes she has taught!

After lunch, we spent time in the Lowry gallery, where the highlight was the immersive 360° show bringing *Going to the Match* to life—an unforgettable experience! ⚽
To top off a wonderful day, we enjoyed some sunshine by the river, watching the boats go by.

A brilliant trip full of creativity, learning, and fun!

Year 2 Bibby's Farm Meeting

On **Tuesday, 5th May** all Year 2 children and parents are invited to attend a meeting at Bibby's Farm. This will take place between **6:00pm and 7:15pm**.

(Back Lane, Heath Charnock, Chorley PR6 9DL)

It is an opportunity for the children to visit the site, see where they are sleeping etc, whilst the parents hear about the activities and events that will take place. It will also be a good opportunity to ask any questions.

As we wrap up this week, here's something to ponder:

And as we move through the week ahead, perhaps that's something worth holding onto.

There will be moments that feel smooth, and others that feel a little more uncertain. Things that go to plan, and things that don't. That's just life.

But what matters most isn't the path in front of us.

It's how we choose to walk it — with patience, with kindness, with purpose, and with a bit of belief in one another.

Because when we get that part right, everything else tends to follow.

It's never just the path — it's how you walk it.
