

Single Equalities Policy

The policy outlines the commitment of the staff, pupils and governors of Wrightington Mossy Lea school to ensure that equality of opportunity is available to all members of the school community. For our school this means not simply treating everybody the same but understanding and tackling the different barriers which could lead to unequal outcomes for different groups of pupils in school, whilst celebrating and valuing the achievements and strengths of all members of the school community. These include:

- Pupils
- Staff
- Parents/carers
- The governing body
- Multi-agency staff linked to the school
- Visitors to school
- Students on placement

We believe that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth.

At Wrightington Mossy Lea school, equality is a key principle for treating all people fairly and creating a society in which everyone has the opportunity to fulfil their potential - irrespective of their gender, ethnicity, disability, religion or belief, sexual orientation, age or any other recognised area of discrimination.

School in Context

The school serves a small village in Lancashire with many of the children on role travelling to school from outside the area. All pupils are white British heritage. The school role is small at 9 pupils. The proportion of pupils whom the school receives extra funding due to social disadvantage is average. Currently there are no children that have an EHCP. Children with additional needs are average. There are two children in care. School can be accessed by wheelchair and there is a disabled toilet.

Ethos and Atmosphere

At Wrightington Mossy Lea school, the leadership of the school community will demonstrate mutual respect between all members of the school community

There is an *openness* of atmosphere which welcomes everyone to the school

All within the school community will challenge any type of discriminatory and/or bullying behaviour, eg through unwanted attentions (verbal or physical) and unwelcome or offensive remarks or suggestions

All pupils are encouraged to greet visitors to the school with friendliness and respect

The displays around the school are of a high quality and reflect diversity across all aspects of equality of opportunity and are frequently monitored

Provision is made to cater for the spiritual needs of all the children through planning of assemblies, classroom based and externally based activities including links with Tunley Church.

Policy Development

This policy applies to the whole school community. It has been drawn up as a result of the outcomes of a transparent process and through consultation with pupils, parents, staff and governors.

Monitoring and Review

Wrightington Mossy Lea is an inclusive school, working towards greater equality in the whole school community. We use the curriculum and teaching to enhance the self-esteem of all those it serves and to provide a learning environment in which each individual is encouraged to fulfil her or his potential.

We make regular assessments of pupils' learning and use this information to track pupils' progress, as they move through the school. As part of this process, we regularly monitor the performance of different groups, to ensure that all groups of pupils are making the best possible progress. We use this information to adjust future teaching and learning plans, as necessary.

Resources are available to support groups of pupils where the information suggests that progress is not as good as it should be. The governing body receives regular updates on pupil performance information.

School performance information is compared to national data and local authority data, to ensure that pupils are making appropriate progress when compared to all schools, and to schools in similar circumstances. As well as monitoring pupil performance information, we also regularly monitor a range of other information. This relates to:

Attendance

Exclusions and truancy

Racism, disabilism, sexism, homophobia and all forms of bullying

Parental involvement

Participation in Extended Learning Opportunities

Our monitoring activities enable us to identify any differences in pupil performance and provide specific support as required, including pastoral support. This allows us to take appropriate action to meet the needs of specific groups in order to make necessary improvements.

Wrightington Mossy Lea School is also committed to providing a working environment free from discrimination, bullying, harassment and victimisation. We aim to recruit an appropriately qualified workforce and establish a governing body that is representative of all sections of the community in order to respect and respond to the diverse needs of our population.

We collect and analyse a range of profile information for our staff and governors

For example, applicants for employment, staff profile, governing body profile, attendance at training events, disciplinary and grievance cases, staff appraisal/performance management, exit interviews.

Due regard is given to the promotion of equality in the School Improvement Plan. The person responsible for the monitoring and evaluation of the policy and action plan is the Chair of Governors Andy Purcell

Their role is to:

- Lead discussions, organise training, update staff in staff meetings, support discussions
- Work with the governing body on matters relating to equality
- Support evaluation activities that moderate the impact and success of this policy

Publicising the Policy and Plan

This policy can be found on the school's website and a paper copy can be requested from the school office.

Annual Review of Progress

We report annually on your progress and performance in one report which meets the requirements of the new legislation and which will formulate the basis for the annual action plan.

Equality Impact Analysis

Undertaking equality impact analysis (EIAs) is similar to undertaking health and safety risk assessments. It involves predicting and assessing what the implications of a policy, function or strategy will be on a wide range of people.

EIAs are a way in which we can analyse all of our work to ensure it meets the needs of all our service users and that no group in relation to ethnicity, disability, gender, age, religion and belief, and sexual orientation is disadvantaged or cannot access our services.

Race

The term race includes colour, ethnic origin, nationality, national origin and citizenship as well as race.

Reporting racist incidents in schools

Schools in Lancashire are required to have in place a procedure for dealing with and reporting racist incidents, which includes providing an annual summary of racist incidents to Lancashire County Council.

Disability

What is a disability?

- Disability is a physical or mental impairment which has an effect on a person's ability to carry out normal day-to-day activities. That effect must be:
 - substantial (more than minor or trivial)
 - adverse
 - long-term (it has lasted, or is likely to last, for at least a year or for the rest of the life of the person affected).

There is no need for a person to have a specific, medically-diagnosed cause for their impairment – what matters is the effect of the impairment, not the cause.

Examples include hearing or sight impairments, a significant mobility difficulty, mental health conditions or learning difficulties. There are many other types of condition, illness or injury that can result in a person being *disabled* (eg diabetes, asthma, cancer, arthritis, epilepsy, multiple sclerosis, heart conditions, facial disfigurement).

GENDER

The term gender includes boys, girls, men and women, and transgender/transsexual people. Sexual orientation is a distinct protected characteristic. (The term transgender refers to a range of people who do not feel comfortable with their birth gender).

What is the difference between sex and gender

- Sex refers to biological status as male or female. It includes physical attributes such as sex chromosomes, gonads, sex hormones, internal reproductive structures, and external genitalia.
- Gender is a term that is often used to refer to ways that people act, interact, or feel about themselves, which are associated with boys/men and girls/women. While aspects of biological sex are the same across different cultures, aspects of gender may not be.

Sexual Orientation

Heterosexism is any prejudice and discrimination against individuals and groups who are lesbian, gay, bisexual (LGB) or are perceived to be so. It is based on the assumption that everyone is or should be heterosexual. Expressions of dislike, contempt or fear based on heterosexism are usually known as **homophobia**, although **lesophobia** and **biphobia** are also coming into use.

Whether through institutional practice or personal behaviour, the prevalence of heterosexism is likely to mean that LGB people feel excluded and unsafe. This effect can be mitigated by an actively welcoming and supportive environment.

Sexual orientation is defined as an individual's sexual orientation towards people of the same sex as her or him (gay or lesbian), people of the opposite sex (heterosexual) or people of both sexes (bisexual).

Transgenderism and gender re-assignment

Transgender is an umbrella term used to describe people whose gender identity or gender expression differs from that usually associated with their birth sex. Gender re-assignment is the process a transgender person goes through to change
